A woman with long, wavy brown hair is sitting on a blue wicker chair outdoors. She is wearing a white, strapless, form-fitting dress with a subtle pattern. She is looking directly at the camera with a slight smile. Her hands are resting on her shoulders. The background is a lush green garden with white flowers.

Mina

Nina has a problem.

The busboy at the restaurant where she waitresses has been playing grab-ass for a week. He's quite tall or handsome, so she finally decides to blow him, then riding his dick atop the bar after closing. The problem is Nina's boyfriend showed up and caught Nina with a big busboy cock lodged deep in her wet, fuck-oven.

Ooops! Awkward! Don't hold it against Nina, bro. Waitressing is hard, and she's working for tips.

Passion on the picnic table

We agreed to meet at a local coffee spot and see how things went from there. I got there before Kortney and was already sitting at our table when she arrived. Just like her photo, she was gorgeous. She said she was really unhappy at home and was just looking for a tryst. A romantic affair with no need for a relationship. She was tall, toned and tanned with legs that seemed to go on forever. Her breasts seemed absolutely perfect and all real. I imagined that I could taste her sweet nipples, sucking and lightly nibbling just enough to make her moan for more. Her blonde hair just barely brushing her shoulders. The blouse that Kortney had on was a soft lavender that offset her skin color perfectly. The blouse was just thin enough that I could see the outline of her lacy bra underneath. And her lips, perfect to wrap around my thick eight inch cock which by now was definitely waking up from a nice slumber. What could possibly be going on at home that she was looking to hook up. I really didn't care.

Where we live, when it gets dark everyone

At this point my heart started to race in my chest, my breathing was speeding up, and of course my cock was straining to be freed from my pants.

goes inside. So we went to the park and were walking around just talking and enjoying the night. I took Kortney to the edge of the walk path where there was a picnic table and bench and helped her

to sit down. I then took her face in my hands and ever so slowly lowered my lips to hers. At this point my heart started to race in my chest, my breathing was speeding up, and of course my cock was straining to be freed from my pants. I could feel Kortney running her hands along the top of my thighs. She was moaning from anticipation and the feel of her hand on my very hard member felt like electricity shooting through my body.

I reached up and felt her breasts through her blouse. She helped me to ease her bra off. Not wanting to seem too over eager, I lightly brushed my lips and tongue over her hard nipples. I got so lost in the feel of her hand on my cock and my mouth on her tits that I didn't realize she was guiding me down to lie on top of the picnic table. I lay on my back and she fed her nipples back into my mouth, all the while unzipping my pants freeing my

now very stiff and cock. Kortney helped me slide my pants down around my knees and she began to kiss and suck me through my boxers. My cock was so hard that it was peeking out over the top of my waist band of my briefs. She leaned over to flick her tongue along the head and once again I felt electricity rush through my body.

She slid my briefs down to meet my pants at my knees, leaving my cock free to her inspection. After staring at my cock for a couple of minutes, she said a little worriedly, "I really don't know if I will be able to get you inside of me." I asked her why she would think that and she said, "Because the largest cock I have had was no where near as big around as you are." I told Kortney not to worry, it would definitely fit. Kortney gave me a look of disbelief and asked, "Will it fit in my ass too?" Now this blew my mind as I have never had a woman just straight out make a point of saying that they would like to have my cock fill their ass, so I asked, "Is that what you want?" Kortney only had eyes for my tool and was staring at it. I assured her that we could try and if it got to be too much for her then we would stop and she seemed pleased with that answer. Of course, my mind was imagining just taking my cock and ramming it deep inside of her while she moaned with pleasure and begging me for more.

Kortney began running her tongue all over my cock, flicking her tongue over the head and then to the back. She slowly took one of my balls into her eager mouth and began sucking on it too. Then she took it deep, her pretty mouth stretched wide around my stick. I ran my hands through her hair and started moving my hips to the rhythm of

this great sucking. She had all but about an inch in her hot mouth when I felt the first stirrings of spunk trying to rush up through my shaft into her waiting mouth.

She must have realize that I was about to cum because she clamped down tighter on my cock and forced the whole thing into her mouth, burying her chin in my balls. I was about to cum and she started to pump my cock faster, her head bobbing up and down faster and faster. My hips were thrusting harder and harder. Just when I couldn't take it anymore and knew that I was going to cum, I jumped up which caused her to sit on top of the picnic table.

I wrapped my hands in her hair and shoved my cock all the way in and began fucking her mouth, pounding away while her tongue was doing all sorts of incredible things to my balls. She

never missed a drop. I shot stream after stream of hot jizz into her waiting mouth and she kept swallowing. When I had finally finished, I pulled out and looked at Kortney. She just smiled and said she wanted to have her pussy eaten really good but more than that she wanted to try and get my hard cock into her ass. Not one to turn down a woman such as this, I definitely agreed, but only after I had gotten her good and wet.

After helping to ease her out of her panties, I buried my face between her beautiful thighs, the heavy aroma of her sweet pussy tickling my senses. I slid my first finger lightly down the crack of that beautiful ass all the while letting my spit and her juices create a lube worthy of any good ass fucking. I found the opening of

her hot little brownie and let my fingertip slip in ever so slightly. I didn't feel any resistance so I slid it in a little more. Kortney pushed back against my finger causing it to slide in even further, all the way to the last knuckle. Damn, this hot woman was fucking my finger – and my face like there was no tomorrow.

Her pussy juices began pouring out of her, drenching my face and hand and running down her ass crack. I couldn't help thinking that this was the time. I asked if she was ready – and she said she was more than ready. She said she wanted to lie on her back and put her feet up over my shoulders, that way she could play with her button while I was fucking her ass. This sounded great to me, so I helped her to lie down and get comfortable, at least as comfortable as could be on a picnic table.

I took my cock and ran it all over her pussy and ass, getting it good and wet so that I wouldn't cause any more pain than absolutely necessary. While running my cock against the opening of her pussy, I couldn't help but let it slip inside. Damn she was tight inside. Moaning and squirming like she was, I knew that I wouldn't be able to hold out for very long. I kept pumping my cock in and out of Kortney tight honey hole, more juices were running down her legs, getting me more lubed up. About that time she took matters into her hands by grabbing and taking my cock out her. She lifted her hips to meet the head of my cock. By doing this, she pushed it in about a half inch. She then looked at me so I drew up my knees, lifted her ass up a little higher, and buried my cock all the way in her ass. I heard Kortney let out a deep guttural moan. I asked her if she was alright and she nodded that she was. She then started rocking her hips causing my cock to slip in and out of her.

Kortney was getting so turned on that she began to scream out telling me to go harder and faster. I was fucking this hot piece of ass like it was a pussy, hearing my balls slap against her cheeks. She began to cum, her love juices pouring out of her. My orgasm was building to an intensity that hadn't been matched in a long time as told her I was ready to cum. Then Kortney grabbed my ass cheeks, pulling and holding my cock deep inside her butt. Then between her moans she whispered to fill up her ass. I began to pump even harder, barely able to restrain myself when I felt the first streams let go. For six long, deep jerks, my cock shot full force into her ass. I felt her body tremble at the sensation, so I added a few more just for good measure. Undeniably, this was my best cum ever.

After a minute, still inside her ass, my cock started to soften and slowly plopped out. I looked down at the battlefield to see her opening was still stretched from the good fucking that she had just received. My spunk was running out of her asshole's gape and slid down her butt and onto the picnic table. She reached down to her butt crack

and ran her fingers through my cum and began to rub it all over her ass and pussy as I put my cock back in my pants and zipped up. After some finger licking, we got cleaned up the best we could and headed out of the park. I offered Kortney a good hot shower at my apartment and she agreed.

As we were on our way, Kortney asked me if I had ever thought of having two women and I told her, "Sure, what man hasn't. But I have never had the opportunity." My mind was spinning at the possibilities. Kortney looked at me with a devilish gleam in her eyes and then said and said, "Just wait and see what I have in store for you, then."

Katie

Kinky Katie has a sensual secret. "I think about seducing men's wives," she confesses. "Not the dolled up, glamorous type of wives either. I like housewives in sweatpants with their hair in ponytails and no make up. I want to eat soccer mom ass and finger-fuck MILF hot boxes!" There's nothing wrong with that Kinky Katie. As a matter of fact we encourage it.

This year I will have been married five years – of course it's to the same guy. He's a wonderful man that will soon be the father of my children. That is if we ever have sex again. It's not that we don't have sex, but it's so quick, or he falls asleep, or whatever, anymore. Just look at me. Am I the type of woman you fall asleep on? Well, in some ways it actually turned out to be a good thing. I've gotten to know 'blue' really well. First I named him after my mood, but then when he did so well, I renamed him after his color. Either way, his sleek glass body and sexy curves make sex with him a lot of fun!

All aboard that's cumming aboard

Darryl and I booked a nice sailboat for a week in the Bahamas. He and I split the tab on the boat rental and thought it would be a fun way to spend the week. We didn't have to pay for hotel rooms since we could sleep on the boat. Best decision we ever made. In Nassau, we hit all the bars the first couple nights, and soon got into a crowd of other vacationers hanging out in town.

For the most part, it was the usual stuff, out drinking together, all day by the beach, tanning, a few rounds at the beach bars, etc. Our favorite place turned out to be Señor Toads. It was a fun place with both locals and tourists. We met couple local ladies our second night there and hit it off. They were good friends who also were vacationing back at home since they worked in Miami. Darla had a great figure, big boobs, lovely butt. And the one that I really had the hots for, Carrie, was really pretty with honey colored hair, perky boobs, and a very bubbly ass.

They were both great to be around and we four came to be a bit of an item on the beach. They

looked amazing in bikinis and even better when they sunning on our boat. One night the girls said they wanted to go to a dance exhibition for Nassau-type booty shaking and twerking. Darryl and I stayed on the boat, having gotten pretty wasted and sunburned during the day. Darryl was worse off than me and passed out on his bed. I had stripped off my clothes and rubbed some soothing lotion on to reduce the burning sensation.

I was laying on my bed listening to music when there's a knock on the cabin roof. I pulled on my shorts and went up to see Carrie looking fantastic in her little party dress. "We're having a deck party. Wanna come, you and Darryl?" she asked. I said sure but Darryl was out of it. "No problem." she said, took my hand and pulled me around the side of the boat to the bow where Darla must have laid out some tanning mats. "Where's the party?" I asked, at which the two giggled, "We're it!"

For a minute, I stood there until Darla got up

off the mats and started to slowly gyrate as the waves made the boat lightly roll. Then Carrie pulled me over closer to them and we all swayed together. My dick was hard in ten seconds and very noticeable in my board shorts. Then, together pushed me onto my back on the mats.

Carrie sat leaned over me and started to kiss the face off me. I could smell sweet alcohol on her breath, but then I felt my shorts being pulled off and my dick springing up. As Carrie kissed me, Darla took my manly rod all in her mouth. I took Carrie's dress off and was kissing and fondling her fantastic boobs. She moaned and groaned, all the time Darla was sucking and deep-throating me real good, sucking my balls, licking my shaft, flicking her tongue up and down it. I realized I was close to cumming when Carrie sensed this by my moaning and sucked and pinched my nipples.

This sent me over the edge and just as I started to cum, Darla fingered my ass. Lengths of cum shot out and into Darla's mouth and onto her lips and cheeks. We lay there for a short while I recovered. Then they pushed me off the boat and jumped in totally naked. We splashed around and I finger-fucked them both to climax. I was rock-hard again. "To the dock." I said, and we all climbed out of the water. We laid on the boards and I got on top of Carrie, pulled her legs over

my shoulders, and slid my cock in deep. She squealed and moaned as I fucked her hot pussy. I felt Darla get behind me and she reached under and grabbed my balls and kneaded my ass, occasionally slipping a finger into my pucker back there. Meanwhile, I was doing my best to concentrate on fucking Carrie.

Darla pulled me off her friend and said it was her turn before I came again. She got in front of me on her knees and Carrie slipped under her in a 69. I puck my cock in Darla and could feel Carrie's hot breath on my sac as she was eating out her friend. I felt her tonguing my balls as I fucked Darla hard until it seemed like we all came at the same time. We went back down the dock to the boat and crawled into the beds in the cabin.

In the morning Darryl was up first and when he saw the three of us crawl up on deck, he guessed what we had been up to. A little later in the morning, Darla gave him a sympathy fuck as Carrie and I were in the other bedroom doing our own thing together. We spent the last two days of our vacation sailing, sunning and screwing as often as we could. In the end, it was an amazing holiday to remember; and lucky for us, the two ladies said they'd cum to visit.

– Darryl and me, flying back to Baltimore

Christina

I don't have much to say to guys, or gals for that matter, if they have hang-ups about sex. Especially when it comes to having sex with me. I like doing it, and doing it often. I feel my pussy speaks to me when it's horny and then I'm off to find a cock. That's a fun hunt and I think I just found me a good one.

Juicy Pearl doesn't trust the valet with her fancy new ride. "Don't scratch it," she says, checking out the valet's bulge as she hands over the keys. "And don't take it for a spin around the block, either!" Valet Alan has had enough of Juicy's sass. He is going to pack Juicy's trunk with man-meat and she'll love it.
